

Account Settings vs. Edit Profile

The difference between the company profile and the personal profile.

Company administrators have the ability to manage their company's profile and their own personal profile. In the olive box where your name is located there are three buttons: **Public Profile**, **Edit Profile**, and **Account Settings**.

Mansueto Ventures

Industry: Select...

One of the pre-eminent business media companies in the nation, Mansueto Ventures publishes Inc. magazine, Fast Company magazine, Inc.com, IncBizNet.com, IncTechnology.com and Fast Company; and runs conferences such as the Inc. 500.

Owned by Joe Mansueto, founder of Morningstar, the company is headquartered in New York. With more than 200 employees, the company has been heavily investing in its magazine, website and events businesses.

For 27 years via its Inc. brand, the company has enjoyed a dominant position providing information to entrepreneurs, private companies and small businesses.

Via the Fast Company brand, the company provides information on the latest in business innovation and trends.

Its fast growing online division, Mansueto Digital, has quintupled in growth over the past four years and has rolled out several new business websites, including IncBizNet.com and IncTechnology.com.
