AWARDS COMMITTEE

NEW YORK

AUGUST 20, 2007

The letter congratulating you on your Inc. 500 honor signed by Inc.'s editor will appear here

Dear Jason,

On behalf of *Inc.* magazine, I am delighted to recognize your accomplishment in earning a place on the 2007 Inc. 500 list, celebrating the fastest-growing private companies in America.

A symbol of American business ingenuity and ambition, your company is one of the most innovative and dynamic in the nation. You are part of an exclusive club, which has served as a benchmark of excellence for 26 years. Leaders such as Bill Gates of Microsoft and Larry Ellison of Oracle, and companies ranging from Domino's Pizza to Timberland all first gained renown as members of the Inc. 500.

I commend you on achieving such a noteworthy success and recognize the tireless energy and steadfast commitment that I know must have gone into building your company into what it is today.

Congratulations to you, your employees, and supporters.

Sincerely,

A handwritten signature in black ink that reads "Jane Berentson".
